## INVESQUE INC.

### MANAGEMENT INFORMATION CIRCULAR

Unless otherwise indicated, or the context otherwise requires, “**Corporation**” refers to Invesque Inc. (formerly, Mainstreet Health Investments Inc.) and its direct and indirect subsidiaries. Unless otherwise indicated, all dollar amounts are expressed in U.S. dollars and references to “\$” are to U.S. dollars.

This management information circular (the “**Information Circular**”) is furnished in connection with the solicitation of proxies by or on behalf of management of the Corporation, for use at the annual and special meeting (the “**Meeting**”) of holders (“**Shareholders**”) of common shares (“**Common Shares**”) of the Corporation to be held on May 16, 2018 at Bay Adelaide Centre, 333 Bay Street, Suite 3400, Toronto, Ontario at 11:00 a.m. (Toronto time), and at all postponements or adjournments thereof, for the purposes set forth in the accompanying notice of the Meeting (the “**Notice of Meeting**”).

Information in this Information Circular is provided in respect of the period commencing January 1, 2017 and ending on December 31, 2017.

### PROXY SOLICITATION AND VOTING

#### Solicitation of Proxies

The solicitation of proxies for the Meeting will be made primarily by mail, but proxies may also be solicited personally, in writing or by telephone by employees of the Corporation, at nominal cost. The Corporation will bear the cost in respect of the solicitation of proxies for the Meeting and will bear the legal, printing and other costs associated with the preparation of the Information Circular. The Corporation will also pay the fees and costs of intermediaries for their services in transmitting proxy-related material in accordance with National Instrument 54-101 – *Communication with Beneficial Owners of Securities of a Reporting Issuer* (“**NI 54-101**”). This cost is expected to be nominal.

#### Notice and Access

The Corporation has elected not to use Notice and Access to distribute the Information Circular, the Notice of Meeting, the form of proxy (“**Form of Proxy**”) and the annual report for fiscal 2017 (collectively, the “**Meeting Materials**”). Registered Shareholders and non-registered Shareholders (“**Beneficial Holders**”) will be mailed the Meeting Materials.

#### Appointment of Proxies

Together with the Information Circular, Shareholders will also be sent a Form of Proxy. The persons named in such proxy are currently directors (“**Directors**”) or officers of the Corporation. **A Shareholder who wishes to appoint some other person to represent him, her or it at the Meeting may do so by crossing out the persons named in the enclosed Form of Proxy and inserting such person's name in the blank space provided in the Form of Proxy or by completing another proper Form of Proxy. Such other person need not be a Shareholder of the Corporation.**

To be valid, proxies or instructions must be deposited at the offices of Computershare Investor Services Inc. (the “**Agent**”) at 100 University Avenue, Suite 800, Toronto, Ontario M5J 2Y1, so as not to arrive later than 11:00 a.m. (Toronto time) on May 14, 2018. If the Meeting is adjourned, proxies or instructions to the Agent must be deposited 48 hours (excluding Saturdays, Sundays and holidays) before the time set for any reconvened meeting.

The document appointing a proxy must be in writing and completed and signed by a Shareholder or his or her attorney authorized in writing or, if the Shareholder is a corporation, under its corporate seal or by an officer or attorney thereof duly authorized. Instructions provided to the Agent by a Shareholder must be in writing and completed and signed by the Shareholder or his or her attorney authorized in writing or, if the Shareholder is a

corporation, under its corporate seal or by an officer or attorney thereof duly authorized. Persons signing as officers, attorneys, executors, administrators, and trustees or similarly otherwise should so indicate and provide satisfactory evidence of such authority.

### **Revocation of Proxies**

A proxy given by a Shareholder for use at the Meeting may be revoked at any time prior to its use. In addition to revocation in any other manner permitted by law, a proxy may be revoked by an instrument in writing executed by the Shareholder or by his or her attorney authorized in writing or, if the Shareholder is a corporation, under its corporate seal or by an officer or attorney thereof duly authorized and deposited with the Agent at 100 University Avenue, 8th Floor, Toronto, Ontario M5J 2Y1 at any time up to and including two business days preceding the Meeting or any adjournment thereof at which the proxy is to be used, and upon such deposit, the proxy is revoked.

**Only registered Shareholders have the right to revoke a proxy. Beneficial Holders who wish to change their vote must make appropriate arrangements with their respective dealers or other intermediaries.**

### **Voting of Proxies**

The persons named in the accompanying Form of Proxy will vote the Common Shares in respect of which they are appointed, on any ballot that may be called for, in accordance with the instructions of the Shareholder as indicated on the proxy. In the absence of such specification, such Common Shares will be voted at the Meeting as follows:

- **FOR the election of those persons listed in this Information Circular as the proposed Directors for the ensuing year;**
- **FOR the appointment of KPMG LLP, Chartered Professional Accountants (“KPMG”), as auditor of the Corporation for the ensuing year and to authorize the board of Directors (the “Board”) to fix the auditor’s remuneration; and**
- **FOR approving the ordinary resolution set forth on Appendix “A” to this Information Circular authorizing the amendment to the Corporation’s Deferred Share Incentive Plan (as defined below) to increase the maximum number of Common Shares reserved for issuance under the Deferred Share Incentive Plan from 1,200,000 to 4,000,000, as more particularly described herein.**

For more information on these issues, please see the section entitled “Matters to be Considered at the Meeting” in this Information Circular.

The persons appointed under the Form of Proxy are conferred with discretionary authority with respect to amendments to or variations of matters identified in the Form of Proxy and the Notice of Meeting and with respect to other matters which may properly come before the Meeting. In the event that amendments or variations to matters identified in the Notice of Meeting are properly brought before the Meeting, it is the intention of the persons designated in the enclosed Form of Proxy to vote in accordance with their best judgment on such matters or business. At the time of printing the Information Circular, the Directors know of no such amendments, variations or other matters.

## **INFORMATION FOR BENEFICIAL HOLDERS OF SECURITIES**

**Information set forth in this section is very important to persons who hold Common Shares otherwise than in their own names.** A Beneficial Holder who beneficially owns Common Shares that are registered in the name of an intermediary (such as a securities broker, financial institution, trustee, custodian or other nominee who holds securities on behalf of the Beneficial Holder or in the name of a clearing agency in which the intermediary is a participant) should note that only proxies or instructions deposited by securityholders whose names are on the records of the Corporation as the registered holders of Common Shares can be recognized and acted upon at the Meeting.

Common Shares that are listed in an account statement provided to a Beneficial Holder by a broker are likely not registered in the Beneficial Holder's own name on the records of the Corporation and such Common Shares are more likely registered in the name of CDS Clearing and Depository Services Inc. (“**CDS**”) or its nominee.

Applicable regulatory policy in Canada requires brokers and other intermediaries to seek voting instructions from Beneficial Holders in advance of securityholders’ meetings. Every broker or other intermediary has its own mailing procedures and provides its own return instructions, which should be carefully followed by Beneficial Holders in order to ensure that their Common Shares are voted at the Meeting. Often, the form of proxy supplied to a Beneficial Holder by its broker is identical to that provided to registered securityholders. However, its purpose is limited to instructing the registered securityholder how to vote on behalf of the Beneficial Holder. Most brokers now delegate responsibility for obtaining instructions from clients to Broadridge Investor Communications Solutions (“**Broadridge**”). Broadridge typically prepares a machine-readable voting instruction form, mails those forms to the Beneficial Holders and asks Beneficial Holders to return the proxy forms to Broadridge. Broadridge then tabulates the results of all instructions received and provides appropriate instructions representing the voting of the securities to be represented at the Meeting. A Beneficial Holder receiving a Broadridge voting instruction form cannot use that voting instruction form to vote Common Shares directly at the Meeting. The voting instruction form must be returned to Broadridge well in advance of the Meeting in order to have the Common Shares voted accordingly. Proxy-related materials will be sent by the Corporation to the intermediaries and not directly to the Beneficial Holders. The Corporation intends to pay for intermediaries to deliver proxy-related materials to “objecting beneficial owners” and Form 54-101F7 (the request for voting instructions), in accordance with NI 54-101.

Although Beneficial Holders may not be recognized directly at the Meeting for the purposes of voting Common Shares registered in the name of CDS or their broker or other intermediary, a Beneficial Holder may attend the Meeting as proxy holder for the registered holder and vote their Common Shares in that capacity. Beneficial Holders who wish to attend the Meeting and indirectly vote their own Common Shares as proxy holder for the registered holder should enter their own names in the blank space on the Form of Proxy or voting instruction form provided to them and return the same to their broker or other intermediary (or the agent of such broker or other intermediary) in accordance with the instructions provided by such broker, intermediary or agent well in advance of the Meeting.

### **VOTING SECURITIES AND PRINCIPAL HOLDERS THEREOF**

The Corporation is authorized to issue an unlimited number of Common Shares. As of April 6, 2018, the record date established for the Notice of Meeting (the “**Record Date**”), there were 49,050,551 Common Shares outstanding.

At the Meeting, each Shareholder of record at the close of business on the Record Date will be entitled to one vote for each Common Share held on all matters proposed to come before the Meeting. Any Shareholder who was a Shareholder on the Record Date shall be entitled to receive notice of and vote at such meeting or any adjournment thereof, even though he, she or it has since that date disposed of his, her or its Common Shares, and no Shareholder becoming such after that date shall be entitled to receive notice of and vote at the Meeting or any adjournment thereof or to be treated as a Shareholder of record for purposes of such other action.

To the knowledge of the Corporation’s Directors and executive officers, the only persons or companies that beneficially own, or control or direct, directly or indirectly, voting securities of the Corporation carrying 10% or more of the voting rights attached to any class of voting securities of the Corporation are:

Name	Number of Common Shares	Approximate Percentage of Common Shares
Certain funds managed by Magnetar Financial LLC <sup>(1)</sup>	13,190,383 Common Shares	26.9%
Tiptree Operating Company, LLC	16,647,236 Common Shares	33.9%

Notes:

- (1) Certain funds managed by Magnetar Financial LLC own 2,802,009 class A, series 1 convertible preferred shares, 3,172,086 class A, series 2 convertible preferred shares and 1,586,042 class A, series 3 convertible preferred shares in the capital of the Corporation, which shares are convertible into 7,629,316 Common Shares as of March 31, 2018.

Management of the Corporation understands that the Common Shares registered in the name of CDS are beneficially owned through various dealers and other intermediaries on behalf of their clients and other parties. The names of the beneficial owners of such Common Shares are not known to the Corporation. Except as set out above, the Corporation's Directors and executive officers have no knowledge of any person or company that beneficially owns, or controls or directs, directly or indirectly, 10% or more of the voting rights attached to any class of voting securities of the Corporation.

## **MATTERS TO BE CONSIDERED AT THE MEETING**

### **Financial Statements**

The financial statements of the Corporation for the year ended December 31, 2017 and the auditors' report thereon accompanying this Information Circular will be placed before the Shareholders at the Meeting. No formal action will be taken at the Meeting to approve the financial statements. If any Shareholder has questions regarding such financial statements, such questions may be brought forward at the Meeting.

### **Election of Directors**

The Board currently consists of five directors, each of whom is a nominee for election at the Meeting. Each nominee proposed for election at the Meeting has agreed to serve on the Board. Each nominee, if elected at the Meeting, will hold office for a term expiring at the close of the next annual meeting of Shareholders or until his or her successor is elected or appointed. The seven proposed nominees for election are:

- Dan Amadori
- Brad Benbow
- Shaun Hawkins
- Charles Herman
- Randy Maulsby
- Richard Turner
- Elisabeth Wigmore

On June 6, 2017, Katherine Vyse advised the Board that she intended to resign as a Director. Ms. Vyse's resignation was accepted by the Chairman on June 6, 2017. On September 17, 2017, the Board unanimously voted to replace Chairman Paul E. Turner with Mr. Rick Turner. On September 19, 2017, Paul E. Turner advised the Board that he intended to resign as a Director. Mr. Turner's resignation was accepted by the Board on September 19, 2017. On September 17, 2017, Rob Dickson advised the Board that he intended to resign as a Director. Mr. Dickson's resignation was accepted by the Board on September 17, 2017. On September 17, 2017, Charles ("Chuck") Herman joined the Board as a Director. On September 17, 2017, the Board unanimously approved the appointment of each Director to all committees of the Board, except that none of the non-independent directors joined the Audit Committee (as defined below). On February 5, 2018, Randy Maulsby was appointed to the Board as a Director. On March 19, 2018, Elisabeth Wigmore was appointed to the Board as a Director.

### *Majority Voting Policy*

The Board is committed to fulfilling its mandate to supervise the management of the business and affairs of the Corporation with the highest standards and in the best interests of Shareholders. The Board adopted a majority voting policy (the "**Majority Voting Policy**") on August 10, 2016, which provides for majority voting in the election of Directors at any meeting of Shareholders where an "uncontested election" (as defined in the Majority Voting Policy) of Directors is held.

Under the Majority Voting Policy, Shareholders have the ability to vote in favour of, or to withhold from voting for, each nominee for Director. If the number of votes withheld for a nominee is greater than the number of votes in favour of such nominee, the nominee shall be required to promptly submit his or her resignation to the Board following the applicable Shareholders' meeting.

Following the receipt of a resignation, the Corporation's compensation, governance and nominating committee (the "**CGN Committee**") will consider whether or not to accept the offer of resignation and will recommend to the Board whether or not to accept it. With the exception of special circumstances that would warrant the continued service of the applicable nominee on the Board, the CGN Committee will be expected to recommend acceptance of the resignation by the Board. Complete copies of the Majority Voting Policy are available on request free of charge to any securityholder of the Corporation.

As of February 28, 2018, the CGN Committee was divided into two separate committees: the human resources committee (the "**Human Resources Committee**") and the governance committee (the "**Governance Committee**"). The Human Resources Committee will oversee the compensation and nominating functions that were previously the responsibility of the CGN Committee and the Governance Committee will oversee the governance functions that were previously the responsibility of the CGN Committee. See "Corporate Governance Disclosure – Committee Charters – CGN Committee".

### *Corporate Cease Trade Orders or Bankruptcies*

During the past 10 years, other than as set out below, no nominee proposed for election has been a director or executive officer of any company that:

- (a) was subject to a cease trade order or similar order or an order that denied the company access to any exemption under securities legislation for a period of more than 30 consecutive days while the nominee was acting in such capacity; or
- (b) was subject to a cease trade order or similar order or an order that denied the company access to any exemption under securities legislation for a period of more than 30 consecutive days that was issued after the nominee ceased to act in such capacity and which resulted from an event that occurred while the nominee was acting in such capacity.

Dan Amadori was a director and the Chief Financial Officer of Xgen Ventures Inc. (“**Xgen**”) from August 1999 through September 30, 2009. On January 30, 2009, the TSX Venture Exchange issued a cease trade order on the shares of Xgen pending the completion of its review of Xgen’s public disclosure. This review was completed and Xgen’s shares resumed trading on May 15, 2009.

During the past 10 years, no nominee proposed for election has been a director or executive officer of any company that, while the nominee was acting in such capacity, or within a year of the nominee ceasing to act in such capacity, became bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency or was subject to or instituted any proceedings, arrangement or compromise with creditors or had a receiver, receiver manager or trustee appointed to hold its assets.

### *Penalties or Sanctions*

No nominee proposed for election has been subject to any penalties or sanctions imposed by a court relating to securities legislation or by a securities regulatory authority or has entered into a settlement agreement with a Canadian securities regulatory authority or been subject to any other penalties or sanctions imposed by a court or regulatory body that would likely be considered important to a reasonable investor making an investment decision.

### *Personal Bankruptcies*

No nominee proposed for election has, within the 10 years prior to the date of this Information Circular, become bankrupt or made a proposal under any legislation relating to bankruptcy or insolvency, or been subject to or instituted any proceedings, arrangement or compromise with creditors, or had a receiver, receiver manager or trustee appointed to hold the assets of the nominee.

### **Appointment of Auditors**

The Corporation’s audit committee (the “**Audit Committee**”) recommends to the Shareholders that KPMG be appointed as the independent auditor of the Corporation, to hold office until the close of the next annual meeting of the Shareholders or until its successor is appointed, and that the Directors be authorized to fix the remuneration of the auditors.

**KPMG has been the auditor of the Corporation since February 29, 2016. The persons named in the enclosed Form of Proxy, if not expressly directed to the contrary in such Form of Proxy, will vote such proxies in favour of a resolution to appoint KPMG as auditors of the Corporation and authorize the Directors to fix their remuneration.**

### *Audit Committee Information*

Reference is made to the Corporation’s annual information form dated March 29, 2018 (the “**AIF**”) for information relating to the Audit Committee as required under Form 52-110F1 of National Instrument 52-110 – *Audit*

*Committees.* The AIF can be found under the Corporation's profile on SEDAR at [www.sedar.com](http://www.sedar.com). A copy of the AIF is also available upon request free of charge to a securityholder of the Corporation.

### **Approval of Amendment to the Corporation's Deferred Share Incentive Plan**

At the Meeting, Shareholders will be asked to consider and, if deemed advisable, to pass an ordinary resolution (the "**Resolution**") approving an amendment to the Corporation's Deferred Share Incentive Plan (as defined below) to increase the maximum number of Common Shares reserved for issuance under the Deferred Share Incentive Plan from 1,200,000 to 4,000,000. The full text of the Resolution is attached hereto as Appendix "A".

There are currently 194,564 Deferred Shares (as defined below) issued under the Deferred Share Incentive Plan. The Board believes that the increase in the number of Common Shares reserved for issuance is very important, as when the number of Deferred Shares issued by the Corporation reaches the existing maximum amount, the Deferred Share Incentive Plan will cease to be of benefit to the Corporation in attracting, retaining and motivating existing and future Directors, officers and employees, and aligning their goals with those of the Corporation.

To be effective, the Resolution must be approved by the affirmative vote of the majority of the votes cast by Shareholders, present in person or represented by proxy, at the Meeting. **The persons named in the enclosed Form of Proxy, if not expressly directed to the contrary in such Form of Proxy, will vote such proxies in favour of the Resolution.**

For more details on the Deferred Share Incentive Plan, see "Compensation – Deferred Share Incentive Plan" below.

## **COMPENSATION**

### **Overview**

The following discussion provides information on the significant elements of the Corporation's compensation of its named executive officers and Directors and also outlines the intended design of the Corporation's compensation program going forward. All amounts referred to below are in U.S. dollars unless otherwise noted.

### **Performance**

Consistent with applicable securities laws, the CGN Committee has designated the Chief Executive Officer, Chief Investment Officer and Chief Financial Officer as named executive officers (each, an "**NEO**") and has determined that no other executive officers have total individual compensation amounting to more than Cdn \$150,000 for the most recently completed financial year. The CGN Committee determined the total compensation for the Corporations' NEOs within the context of the significant achievements of the Corporation, which included:

- Announcing approximately \$550 million of accretive acquisitions;
- Expanding the portfolio to 40 facilities;
- Continuing diversification strategy by the addition of private pay assets, increased geographical footprint, and expanding operational partnerships; and
- Paying a cash dividend of \$0.73668/share while maintaining the Corporation's target payout ratio of 77%.

### **Compensation Discussion and Analysis**

The section below outlines the intended design of the compensation program of the Corporation between January 1, 2017 and December 31, 2017.

#### *Compensation Objectives and Strategy*

The primary objective of the Corporation's compensation program is to maximize the Corporation's competitive advantage, performance and Shareholder value by attracting, motivating and retaining the most qualified employees. The Corporation also wants to ensure a strong link between compensation and performance in order to align the

senior management team's interests with the interests of Shareholders. The Corporation's compensation package strives to achieve an adequate blend of short and long-term compensation and to balance total compensation with comparative industry pay practices. The compensation program is designed to award meaningful results that support the Corporation's strategic goals and Shareholder interests as well as the accomplishments of individuals which may not be solely reflected in objective performance measures.

### *Principal Elements of Compensation*

The Corporation's compensation package for its NEOs includes three principal elements: (i) base salary, (ii) annual cash bonus, and (c) long-term equity incentives, consisting of deferred shares ("**Deferred Shares**") awarded under the Corporation's amended and restated deferred share incentive plan (the "**Deferred Share Incentive Plan**"). The CGN Committee uses its informed judgment to determine appropriate levels of compensation, taking into account a number of factors including but not limited to the Corporation's strong performance and achievements, the compensation packages offered by industry peers and individual experience and scope of responsibilities.

With appropriate input from the NEOs, the CGN Committee develops corporate goals and personal goals against which to measure the performance of each NEO, which are tied to short-term and long-term incentive awards. Objectives and performance measures may vary from year to year as determined appropriate by the CGN Committee in conjunction with the NEOs.

The three principal elements of compensation are described below. Perquisites and personal benefits are not a significant element of the Corporation's compensation package.

- **Base salaries.** Base salaries are intended to provide an appropriate level of fixed compensation that will assist in employee retention and recruitment. Base salaries are determined on an individual basis, taking into account, among other things, current and potential contribution to the Corporation's success, position and responsibilities, geographic location and competitive industry pay practices of other companies of comparable size and similar business models. Increases in base salary are at the sole discretion of the CGN Committee.
- **Annual cash bonuses.** Annual cash bonuses are based on the achievement of established qualitative and quantitative performance goals and standards. Target cash bonuses are equal to at least: (i) 40% of base salary in the case of Adlai Chester and Scott White; and (ii) 25% of base salary in the case of Scott Higgs. In determining payouts for the annual cash bonuses, the Board may take into account, among other things, the Corporation's performance, based on such measures as the meeting of financial targets against budget (such as AFFO (as defined herein)), the meeting of acquisition objectives, balance sheet performance and share price performance. The Board may also take into account individual performance, such as the completion of specific projects or transactions and the execution of day-to-day management responsibilities.
- **Deferred Shares.** Deferred Shares are granted to focus participants on medium-term and long-term Shareholder returns. The Deferred Share Incentive Plan is administered by the Board and the CGN Committee. In administering the Deferred Share Incentive Plan, the Board and/or the CGN Committee may determine, among other things, the individuals to whom Deferred Shares are granted and the amounts, terms and provisions of the Deferred Shares (see "Compensation – Deferred Share Incentive Plan").

### *Compensation Governance*

#### CGN Committee

As of December 31, 2017, the CGN Committee consisted of the following Directors: Brad Benbow (Chair), Dan Amadori, Shaun Hawkins, Richard Turner and Charles Herman. A majority of the CGN Committee members, being Shaun Hawkins, Richard Turner and Charles Herman, were independent. On June 6, 2017, Katherine Vise, who was previously the Chair of the CGN Committee resigned as a Director. On September 17, 2017, Rob Dickson, who was previously a member of the CGN Committee resigned as a Director.

As of February 28, 2018, the CGN Committee was divided into two separate committees: the Human Resources Committee and the Governance Committee. The Human Resources Committee will oversee the compensation and nominating functions that were previously the responsibility of the CGN Committee and the Governance Committee will oversee the governance functions that were previously the responsibility of the CGN Committee. See “Corporate Governance Disclosure – Committee Charters – CGN Committee”. All references to the CGN Committee (and the responsibilities of such committee) in this Information Circular for the period prior to February 28, 2018 (including for the year ended December 31, 2017) are references to the CGN Committee existing at that time and all references to the CGN Committee (and the responsibilities of such committee) in this Information Circular for the period following February 28, 2018 are references to the newly constituted Human Resources Committee and/or the Governance Committee, as applicable.

The Human Resources Committee, now responsible for the compensation and nominating functions that were previously the responsibility of the CGN Committee, consists of the following Directors: Charles Herman (Chair), Elisabeth Wigmore and Brad Benbow, a majority of whom are independent. The CGN Committee is responsible for reviewing, overseeing and evaluating the compensation, governance and nominating policies of the Corporation. With respect to executive compensation, the CGN Committee is responsible for assessing the performance of the senior management team, reviewing and recommending to the Board the total compensation paid to executives and administering the Deferred Share Incentive Plan. The CGN Committee is also responsible for engaging, from time to time as needed, compensation consultants to review and enhance the Corporation’s compensation program and assess the compensation program in light of industry standards.

In addition to engaging independent external consultants, the CGN Committee, with the approval of the Board, adopted the following policies and practices in 2017 that the Board believes support pay for performance, enhance executive retention and align the interests of the NEOs with the interests of the Shareholders.

- Compensation for NEOs is reviewed annually by the CGN Committee for competitiveness against peers, in alignment with industry trends and practices;
- As part of the annual NEO compensation review, the CGN Committee assesses any risks associated with the compensation program that could have an adverse impact on the Corporation;
- The Corporation’s Insider Trading Policy (as defined below) prohibits active trading in the Corporation’s securities, hedging or arbitrage transactions with the expectation of benefiting financially from these securities activities; and
- Perquisites and personal benefits are not a significant element of the compensation package.

The Board believes that each member of the CGN Committee brings experience that is relevant to their roles as a CGN Committee member overseeing the Corporation’s compensation program, including senior leadership roles in their respective companies, real estate industry experience, prior board experience (including compensation committee participation) and functional experience in audit, law and human resources. Brad Benbow, the Chair of the CGN Committee has professional experience which includes his current role as Chair and Chief Executive Officer of a national full service advertising, strategy, media and branding company, serving national and international clients. In this role, and as the past President of a major media company, his responsibilities have included oversight of employee compensation. He is currently on the board of directors of a not-for-profit organization and formerly served as a director of a major non-governmental organization and a university. Rick Turner has professional experience in areas of corporate governance, management and finance. Mr. Turner has held various roles in public companies throughout Canada, including as trustee of Pure Industrial REIT, director of WesterOne Inc. and CEO and director of TitanStar Properties, Inc. Shaun Hawkins has participated on the boards of several private companies within the pharmaceutical industry. Mr. Hawkins brings a wealth of finance and human resources knowledge from his previous positions, which include Chief Diversity Officer of Lilly. Chuck Herman was previously an executive with Health Care REIT (now Welltower Inc.). Mr. Herman is the founder and chief executive for Charles Herman Consulting, which provides services related to corporate governance, strategic initiatives, healthcare and real estate to companies.

### Independent Compensation Consultant

The CGN Committee, on behalf of the Board, retained the services of Hugessen Consulting Inc. (“**Hugessen**”) in August 2016 to provide independent advice in respect of the proposed compensation packages for the Corporation’s NEOs. Specifically, Hugessen was engaged to provide advice on the competitiveness and effectiveness of the proposed compensation packages and recommend the terms of the Employment Agreements (as defined below) (the “**Hugessen Report**”). During this process, Hugessen conducted a detailed benchmarking of the Corporation’s compensation package against that of a peer group (see “Compensation – Competitive Benchmarking”). The CGN Committee reviewed and considered, among other factors, the Hugessen Report in recommending the proposed total compensation package to the Board for final approval. The CGN committee concluded no additional consulting was necessary for 2017.

Hugessen did not provide any additional services to the Corporation other than as described herein.

### Executive Compensation – Related Fees

In 2016, the Corporation paid to Hugessen consulting fees totaling Cdn\$35,440 for services related to determining compensation for the Corporation’s NEOs.

### *Competitive Benchmarking*

Hugessen, with input from the CGN Committee and the Corporation’s then Chief Executive Officer, developed a peer group of nine public real estate issuers headquartered in both Canada (four) and the United States (five) intended to reflect the Corporation’s listing on the Toronto Stock Exchange (the “**TSX**”), its intention to acquire Canadian assets and the location of its head office and employees, which are primarily in the United States. The types of public real estate issuers reviewed included: (i) healthcare facilities, of which there are very few direct comparables, as most issuers are owner-operators of their facilities (in contrast to the Corporation, which primarily leases its facilities to established operators); and (ii) retail and office space, which issuers typically focus on lease revenues as the primary driver of overall revenue. The size of the issuers in the peer group ranged from \$400 million to \$2.2 billion in assets, which represented a range of approximately one third to three times the size of the Corporation’s assets as at November 1, 2016. The issuers included in the peer group reviewed by Hugessen are listed below:

<b>Reporting Issuer</b>	<b>Industry</b>	<b>Headquarters</b>
Sabra Health Care REIT, Inc.	Healthcare	Irvine, California
LTC Properties Inc.	Healthcare	Westlake Village, California
OneREIT	Retail	Vaughn, Ontario
Getty Realty Corp.	Retail	Jericho, New York
Urstadt Biddle Properties Inc.	Retail	Greenwich, Connecticut
Sienna Senior Living Inc.	Healthcare	Markham, Ontario
Care Trust REIT, Inc.	Healthcare	San-Clemente, California
Extendicare Inc.	Healthcare	Markham, Ontario
Partners Real Estate Investment Trust	Retail	Victoria, British Columbia

### *Compensation Risk*

The Board believes that the design of the compensation program appropriately aligns the NEO’s interests with the long-term interests of Shareholders and that the compensation program, in conjunction with a number of policies and procedures that are in place, mitigates any risks associated with compensation. Such policies include:

- The Corporation's Insider Trading Policy (as defined below) prohibits the purchasing or selling of securities of the Corporation with the expectation of making profit on a short-term rise or fall of the market price. In addition, the Insider Trading Policy prohibits the buying or selling of certain derivative contracts in respect of the securities of the Corporation and provides that the Chief Financial Officer of the Corporation must be informed of any trade in the securities of the Corporation.
- Deferred Shares that will be awarded to employees of the Corporation will vest over a three-year period, which aligns the interests of Corporation and its employees with the long term interests of Shareholders and motivates the executive team to consider both the short-term and long-term impact of the decisions that are made.
- The CGN Committee has discretion over the Deferred Shares awarded to the Corporation's executive team, thereby providing oversight of the total level awarded. In addition, the Board evaluates and approves the compensation packages for each of the Corporation's NEOs that are recommended by the CGN Committee each year, which provides a further level of oversight.
- Generally, prior to making any changes to the Corporation's compensation program, the CGN Committee expects to engage a compensation consultant to advise on structure and design elements and any risks inherent in various compensation program designs. From time to time, the CGN Committee will also review the compensation program in place to identify any risks related to compensation.
- The Board is responsible for identifying and managing risk exposure, which includes assessing and identifying compensation risk.

## Performance Graph

The December 31, 2017, value of \$100 invested on June 16, 2016 in the Corporation was \$95 compared to \$111 for the S&P/TSX Capped REIT Index and \$119 for S&P/TSX Index. The compensation for the Named Executive Officers is based primarily on the financial performance and strategic initiatives of the Corporation's businesses rather than the performance of the Corporation's common share price. As a result, the executive compensation may not compare to the trend shown by the graph below.

## Total Return

## Deferred Share Incentive Plan

Deferred Shares are tied to Common Share trading performance and vest over a number of years. As such, grants of Deferred Shares under the Deferred Share Incentive Plan align the interests of the participants more closely with the interests of Shareholders. In November of 2017, the Deferred Share Incentive Plan was amended to expand the persons who are eligible to participate in the plan.

### *Participation*

Each Director has the right to participate in the Deferred Share Incentive Plan. Each Director who elects to participate will receive a portion (the “**Elected Amount**”), ranging from 0% to 100%, of his or her annual retainer

fees, including meeting fees and fees for acting as a committee Chair, as determined by the Director, in the form of Deferred Shares in lieu of cash (“**Individual Contributed Deferred Shares**”). In addition, the Corporation will match 100% of the Elected Amount for each Director (“**Corporation Contributed Deferred Shares**”) such that the aggregate number of Deferred Shares issued to each Director annually will be equal in value to two times the Elected Amount for such Director.

Under the Deferred Share Incentive Plan, Deferred Shares (“**Discretionary Deferred Shares**”) may also be granted from time to time to participants, including employees and executive officers of the Corporation, at the discretion of the Board or the CGN Committee.

#### *Market Value and Dividends*

The number of Deferred Shares granted at any particular time under the Deferred Share Incentive Plan is calculated by dividing (i) the Elected Amount or such other amount as allocated to the participant by the Board or CGN Committee, by (ii) the market value of a Common Share on the award date. “Market value” of a Common Share at any date for the purposes of the Deferred Share Incentive Plan means the volume weighted average price of all Common Shares traded on the TSX for the five trading days immediately preceding such date (or, if such Common Shares are not listed and posted for trading on the TSX, on a stock exchange on which such Common Shares are listed and posted for trading as may be selected for such purpose by the Board); provided that, for so long as the Common Shares are listed and posted for trading on the TSX, the market value will (i) not be less than the discounted market price, as calculated under the policies of the TSX, and (ii) be subject, notwithstanding the application of any such maximum discount, to a minimum price per Common Share of \$0.05. In the event that the Common Shares are not listed and posted for trading on any stock exchange, the market value shall be the fair market value of the Common Shares as determined by the Board in its sole discretion.

Wherever cash dividends are paid on the Common Shares, additional Deferred Shares are credited to the participant’s account. The number of additional Deferred Shares is calculated by multiplying the aggregate number of Deferred Shares held on the relevant dividend record date by the amount of the dividend paid by the Corporation on each Common Share, and dividing the result by the market value of the Common Shares on the dividend payment date.

#### *Vesting*

Individual Contributed Deferred Shares vest immediately upon grant. Generally, one-third of the Corporation Contributed Deferred Shares will vest on each of the first, second and third anniversary of the date of grant.

The Deferred Share Incentive Plan provides that Discretionary Deferred Shares will generally vest on the second anniversary of the date of grant. Going forward, the CGN Committee has established a three year vesting period for Deferred Shares granted to employees of the Corporation.

Additional Deferred Shares credited to a participant’s account in connection with cash dividends vest on the same schedule as their corresponding Deferred Shares and are considered issued on the same date as the Deferred Shares in respect of which they were credited.

#### *Change of Control, Death, Disability and Termination*

In the event of any “change of control” (as defined in the Deferred Share Incentive Plan), any unvested Deferred Shares will vest upon the earlier of (i) the next applicable vesting date determined in accordance with the above provisions, and (ii) the date which is immediately prior to the date upon which the change of control is completed.

On a participant’s death or “disability” (as defined in the Deferred Share Incentive Plan), all unvested Deferred Shares vest immediately and the participant (or his or her estate) will have one year to redeem his or her vested Deferred Shares.

On termination of a participant for “cause” (as defined in the Deferred Share Incentive Plan) all Deferred Shares held by the participant will terminate. On a participant’s resignation or retirement, all Deferred Shares will terminate 30 days after resignation or retirement. On termination of a participant without “cause”, outstanding unvested Deferred Shares will continue to vest and be paid out on a pro rata basis based on the portion of the vesting period completed as of cessation of active employment for a period of 12 months following the participant’s termination date.

Notwithstanding the foregoing, the Board has the discretion to vary the manner in which Deferred Shares vest. In addition, the Board may at any time permit the redemption of any or all Deferred Shares held by a participant in the manner and on the terms authorized by the Board.

#### *Redemption*

Participants that are Canadian residents will generally be permitted to redeem their vested Deferred Shares for Common Shares in whole or in part at any time by filing a written notice of redemption with the Corporation; provided that, if a Director redeems his or her Individual Contributed Deferred Shares prior to the date on which the corresponding Corporation Contributed Deferred Shares (or portion thereof) have vested, then the Director will forfeit the right to all such unvested Corporation Contributed Deferred Shares.

Participants that are U.S. residents are generally subject to more stringent redemption restrictions to ensure compliance with Section 409A of the United States Internal Revenue Code of 1986. Deferred Shares may also be subject to other redemption restrictions as required by the Board from time to time.

Upon the redemption of Deferred Shares for Common Shares, the Corporation will issue Common Shares to participants within five business days of the relevant redemption date, on the basis of one Common Share for each whole vested Deferred Share that is being redeemed, net of any applicable withholding taxes. Upon redemption of the Deferred Shares for cash (which is subject to the approval of the CGN Committee), the Corporation will make, within five business days of the relevant redemption date, a cash payment, net of any applicable withholding taxes, to the participant in an amount calculated by multiplying (i) the number of Deferred Shares to be redeemed by (ii) the market value of a Common Share on the redemption date, calculated with reference to the volume weighted average price of all Common Shares traded on the TSX for the five trading days immediately preceding such date. Upon payment in full of the value of the Deferred Shares, the Deferred Shares will be cancelled.

#### *Assignability*

Deferred Shares are not transferable or assignable, except to a participant’s estate.

#### *Deferred Shares Available*

The maximum number of Common Shares currently available for issuance under the Deferred Share Incentive Plan is 1,200,000 Common Shares, representing approximately 3.71% of the total issued and outstanding Common Shares as of December 31, 2017 and 2.45% as of April 6, 2018 (the Record Date). If the Resolution is approved at the Meeting, the maximum number of Common Shares available for issuance under the Deferred Share Incentive Plan will be 4,000,000, representing approximately 12.36% of the total issued and outstanding Common Shares as of December 31, 2017 and 8.15% of the total issued and outstanding Common Shares as of April 6, 2018 (the Record Date). See “Matters to be Considered at the Meeting – Approval of Amendment to the Corporation’s Deferred Share Incentive Plan”.

In 2017, the Corporation granted 221,918 Deferred Shares, 14,073 of which were forfeited. As of December 31, 2017, there were 194,564 Deferred Shares outstanding, representing approximately 0.60% of the total issued and outstanding Common Shares. As of December 31, 2017, there were 910,610 Common Shares remaining available for grant under the Deferred Share Incentive Plan, representing approximately 2.81% of the total issued and outstanding Common Shares. The aggregate of the Common Shares: (a) issued to insiders of the Corporation, within any one year period; and (b) issuable to insiders of the Corporation, at any time, under the Deferred Share Incentive

Plan, when combined with all other security-based compensation arrangements of the Corporation, shall not exceed 10% of the total issued and outstanding Common Shares.

The Board of Directors has approved an amendment to the Deferred Share Incentive Plan to increase the maximum number of Common Shares reserved for issuance under the Deferred Share Incentive Plan from 1,200,000 to 4,000,000. Pursuant to the Deferred Share Incentive Plan and the rules of the TSX, the amendment must be approved by the affirmative vote of the majority of the votes cast by Shareholders, present in person or represented by proxy, at the Meeting. See “Matters to be Considered at the Meeting – Approval of Amendment to the Corporation’s Deferred Share Incentive Plan”.

#### *Burn Rate*

The following table sets forth the annual burn rate, calculated in accordance with the rules of the TSX, in respect of the Deferred Share Incentive Plan for each of the most recently completed financial years since the adoption of the Deferred Share Incentive Plan in 2016:

	Year ended December 31, 2016	Year ended December 31, 2017
Number of Common Shares granted under the Deferred Share Incentive Plan	79,365	206,962
Weighted Average of outstanding Common Shares	16,236,291	32,323,269
<b>Annual Burn Rate<sup>(1)</sup></b>	0.49%	0.64%

(1) Notes: The annual burn rate is calculated as follows and expressed as a percentage:

$$\frac{\text{Number of securities granted under the specific plan during the applicable fiscal year}}{\text{Weighted average number of securities outstanding for the applicable fiscal year}}$$

#### *Changes to the Deferred Share Incentive Plan*

The CGN Committee may review and confirm the terms of the Deferred Share Incentive Plan from time to time and may, subject to applicable stock exchange rules, amend or suspend the Deferred Share Incentive Plan without Shareholder approval in whole or in part as well as terminate the Deferred Share Incentive Plan without prior notice as it deems appropriate; provided, however, that any amendment to the Deferred Share Incentive Plan that would (i) result in any increase in the number of Deferred Shares issuable under the Deferred Share Incentive Plan, (ii) remove or exceed the insider participation limit, or (iii) amend an amending provision will require the approval of Shareholders. Without limitation, the CGN Committee, without obtaining the approval of Shareholders, may make any changes to the Deferred Share Incentive Plan that do not require the approval of Shareholders under applicable law (including the rules and policies of the applicable stock exchange on which the Common Shares are then listed) including, but not limited to, changes: (a) to correct errors, immaterial inconsistencies or ambiguities in the Deferred Share Incentive Plan; (b) necessary or desirable to comply with applicable laws or regulatory requirements, rules or policies (including stock exchange requirements); and (c) to the vesting provisions applicable to Deferred Shares issued under the Deferred Share Incentive Plan. However, subject to the terms of the Deferred Share Incentive Plan, no amendment may adversely affect the Deferred Shares previously granted under the Plan without the consent of the affected participant.

#### **Employment Agreements**

On September 14, 2016, the Corporation entered into employment agreements (each an “**Employment Agreement**”) with each of Scott White, Adlai Chester, and Scott Higgs. On January 7, 2017, the Employment Agreement with Adlai Chester was terminated, and on October 1, 2017, the Corporation entered into a new Employee Agreement with Adlai Chester. Each Employment Agreement is for an indefinite term and contains provisions in respect of base salary, cash bonus and Deferred Share grants, as outlined below, as well as rights in the

event of termination or a “change of control” (as defined in the Employment Agreements) (see “Compensation – Termination and Change of Control Benefits”).

Pursuant to the terms of the Employment Agreements, Scott White, Adlai Chester, and Scott Higgs are entitled to receive an annual base salary of \$600,000, \$350,000, and \$350,000, respectively. Each NEO is also entitled to receive an annual cash bonus if the Corporation and such executive achieve certain performance goals reasonably established from year to year by the CGN Committee. Unless and until changed by the CGN Committee, target cash bonuses are equal to at least: (i) 40% of base salary in the case of Scott White; and (ii) 25% of base salary in the case of Scott Higgs. Pursuant to the Employment Agreements, the NEOs are also eligible for grants of stock-based awards under the Corporation’s long-term incentive plan or plans, such as the Deferred Share Incentive Plan. The Corporation is not required to make grants of stock-based awards in any year. In accordance with the Employment Agreements, each NEO is eligible for enrollment in the Corporation’s health benefit plan. Additionally, each employee will receive an annual contribution to the Corporation’s 401(k) plan equal to 3% of annual salary not to exceed \$7,950 per employee.

Each Employment Agreement contains standard confidentiality, non-competition, non-solicitation and non-recruitment covenants that remain in effect for a period of one year following the termination of the applicable Employment Agreement.

### **Termination and Change of Control Benefits**

Pursuant to the terms of each Employment Agreement, in the event of termination without cause, the executive is entitled to a lump sum payment in an amount equal to two times their respective base salary and target bonus, reimbursement of any validly incurred expenses and any accrued and unpaid vacation pay. In the event of termination for cause, the Corporation is obligated under the terms of each Employment Agreement to pay the executive any unpaid salary up to the termination date, unpaid expenses, and accrued vacation pay as well as a monthly sum equal to the Corporation’s aggregate cost to provide continued health, dental and vision benefits, payable for 24 months after the date of termination date. An executive’s employment may also be terminated by the executive for any reason by providing 60 days’ prior notice to the Corporation.

Pursuant to the Employment Agreements, if an executive terminates his employment for “good reason” (as defined in the Employment Agreements), he is entitled to the same amounts as if he was terminated without cause. In the event of an executive’s “retirement” (as defined in the Employment Agreements), he is entitled to receive a pro rata portion of the target bonus for such year as well as any unpaid salary up to the retirement date, unpaid expenses and accrued vacation pay.

For additional information regarding the treatment of Deferred Shares in the above circumstances, see “Compensation – Deferred Share Incentive Plan”.

The table below shows the value of the estimated incremental payments or benefits that would accrue to each current NEO upon termination of his employment following termination for cause, termination without cause and retirement/resignation, assuming employment was terminated on December 31, 2017. For purposes of valuing share-based awards, a price of \$8.37 was used, which is the closing price of the Common Shares on the TSX as of December 29, 2017, the last trading day of the fiscal year.

Name and Title	Incremental Payment (\$)			
	Termination With Cause	Termination Without Cause or Resignation for Good Reason	Resignation Without Cause	Retirement

Adlai Chester Chief Executive Officer <sup>(1)</sup> and Chief Investment Officer	N/A	1,150,000	N/A	0

Notes:

- (1) Amount represents a full annualized non-prorated amount. In January of 2017, Adlai Chester resigned as the Chief Executive Officer. Upon resignation, he had a total of 68,722 Deferred Shares. On January 9, 2017, the Board elected to, as part of the separation, fully vest 50% of such Deferred Shares on February 1, 2017, with the remaining 50% vested on August 1, 2017. After his resignation, Mr. Chester was paid a total of \$83,710 in cash payments for consulting services performed between February, 2017 and July, 2017.

Each of the Directors is working towards satisfying the Corporation’s minimum ownership guidelines. Members of the Board that have already met or exceeded the minimum ownership guideline of value of three times the annual retainer include Dan Amadori, Richard Turner, Shaun Hawkins and Charles Herman.

Richard Turner served as Lead Director until February 28, 2018 and as of September 17, 2017 became Chairman of the Board.

Richard Turner is a trustee and the Chair of Pure Industrial Real Estate Trust and Board Chair of TitanStar Properties Inc. and a Director of WesternOne Inc.

In 2017, the independent members of the Board held in camera meetings after each Board meeting, providing an opportunity for open and candid discussion of issues without the presence of management. The Board met in person 4 times during the year and by phone 14 times during the year.

The Governance Committee currently consists of the following Directors: Dan Amadori (Chair), Brad Benbow and Elisabeth Wigmore.

#### *Investment Committee*

The Investment Committee is currently comprised of three Directors: Shaun Hawkins (Chair), Richard Turner and Charles Herman. Messrs. Hawkins Turner and Herman are independent Directors. Brad Benbow ceased to be a member of the Investment Committee as of February 28, 2018. Dan Amadori ceased to be a member of the Investment Committee as of February 28, 2018. The Investment Committee is charged with assessing, recommending or approving certain “proposed transactions” and related activities that involve consideration that is less than a specified threshold. “Proposed transactions” to be reviewed and approved by the Investment Committee include any acquisition transaction, disposition transaction, mezzanine financing, non-refundable deposit, funding and/or loan to partners and/or development transaction and mortgage or debt financing obligations. Proposed transactions also include items such as the incurrence of acquisition costs, current and future funding/loans to partners and future committed or expected development costs.

Upon request, the Corporation will promptly provide a copy of any committee charter free of charge to any securityholder of the Corporation.

The members of the Investment Committee and the Chair of the Investment Committee are appointed by the Board to serve for a one year period or until their successors are appointed.

#### **Position Descriptions**

On April 5, 2016, the Board adopted position descriptions for the Chair of the Board, Chief Executive Officer and Chair of the Audit Committee. The Board has not adopted position descriptions for the Chair of the CGN Committee or the Chair of the Investment Committee, however, the Board delineates the roles and responsibilities of each such position based on the individual’s experience and in accordance with the CGN Committee charter and Investment Committee charter, respectively.

The Chair of the Board is responsible, for among other things, leading, managing and organizing the Board consistent with the approach to corporate governance adopted by the Board, ensuring that all business required to come before the Board is brought before the Board, setting agendas, presiding over meetings and encouraging free and open dialogue.

The Chair of the Audit Committee provides leadership to the Audit Committee in discharging its mandate. The Chair of the Audit Committee is responsible for, among other things, scheduling meetings of the Audit Committee, organizing and presenting the agendas for such meetings and monitoring the adequacy of the materials provided to

the Audit Committee in connection with its deliberations. The Chair of the Audit Committee is the liaison between the Audit Committee and the Corporation's management, internal financial personnel and external auditor.

The Chief Executive Officer, among other things, oversees the Corporation's strategic plan, provides leadership and direction to the management team, ensures that the day to day business affairs of the Corporation are appropriately managed, and ensures the design and implementation of effective disclosure and internal controls and the integrity of the financial reporting process. In addition, the Chief Executive Officer strives to achieve the Corporation's financial and operating goals and objectives to enhance Shareholder value.

### **Orientation and Continuing Education**

The Board has adopted an orientation program designed to ensure the effective integration of new Board members and to share knowledge of the role of the Board, its committees and the Directors, as well as the Corporation's operations, financial position, industry and competitive position, opportunities, risks and corporate governance. The orientation program includes meetings with the executive team at the Corporation's offices in Carmel, Indiana and tours of several of the Corporation's assisted living, independent living and transitional care facilities, ideally within the first six months of joining the Board. New Board members will also receive a binder with the Corporation's most recent material disclosure (for example, financial and major initiative press releases, annual and quarterly reports, management information circulars and annual information forms), strategic planning documents, key governance policies, Board and committee charters as well as Board and management biographies to facilitate relationship building with the Board and the Corporation's management team.

Continuous learning is a core value of the Corporation, which extends to the continuing education of the Board. Senior managers make presentations to the Board on various aspects of the business and the industry at regular Board meetings. Updates between meetings are provided by management on issues and developments that affect the business and industry. Board members are expected to educate themselves with respect to accounting and finance matters, leadership, the industry and its practices and corporate governance best practices. Board members who participate in related conferences, seminars and webcasts are encouraged to share the relevant information with other Board members to enhance learning across the Board. Board members are also invited to attend all committee meetings and to participate in industry conferences and the Corporation's events, at the Corporation's expense.

### **Ethical Business Conduct**

On April 5, 2016, the Board approved a comprehensive code of business conduct and ethics (the "**Code**"). The Code covers a wide range of business practices and procedures and sets out basic principles to guide all Directors, officers and employees of the Corporation. The Code addresses:

- compliance with applicable laws, rules and regulations;
- conflicts of interest;
- confidentiality;
- corporate opportunities;
- protection and proper use of the Corporation's assets;
- competition and fair dealing;
- gifts and entertainment;
- payments to government personnel;
- discrimination and harassment;
- health and safety; and
- accuracy of records.

All Directors, officers and employees of the Corporation must conduct themselves in accordance with the Code and seek to avoid even the appearance of improper conduct. The Board has the ultimate responsibility for the stewardship of the Code.

In order to ensure compliance with the Code, employees of the Corporation are required to review and acknowledge the Corporation's employee handbook, which includes a copy of the Code, annually in writing. Beginning in 2017,

the Directors are required to review and acknowledge the Corporation's employee handbook in writing on a recurring annual basis.

In addition, to foster a strong culture of ethical business conduct, the Corporation has implemented several policies related to the Code, including policies with respect to whistleblowers, related-party transactions and procedures, insider trading, confidential information and disclosure.

#### *Whistleblower Policy*

The Corporation's whistleblower policy (the "**Whistleblower Policy**") sets out established procedures for employees of the Corporation to confidentially and anonymously submit concerns to the Chair of the Audit Committee (who is independent of the Corporation) regarding any accounting or auditing matter or any other matter which the employee believes to be in violation of the Code. The Chair of the Audit Committee will maintain a log of all complaints that are received, tracking their receipt, investigation and resolution. Any complaints that relate to questionable accounting or auditing matters will be immediately brought to the attention, and reviewed under the direction, of the Audit Committee.

#### *Related Party Transactions Policy*

The Corporation recognizes that related party transactions can present potential or actual conflicts of interest and may raise questions about whether such transactions are consistent with the best interests of the Corporation and Shareholders. On April 5, 2016, the Corporation implemented a related party transaction policy (the "**Related Party Transaction Policy**") that sets out guidelines under which certain transactions must be reviewed and approved or ratified by the Investment Committee. The Related Party Transaction Policy clearly identifies related parties and related party transactions and details the Investment Committee's review and approval process. Consistent with the Related Party Transaction Policy, the Investment Committee periodically reviews and assesses ongoing relationships with related parties to ensure that they are in compliance with the Investment Committee's guidelines.

#### *Insider Trading Policy*

The Corporation's insider trading policy (the "**Insider Trading Policy**") expressly states that no one with any knowledge of a material fact or a material change in the affairs of the Corporation that has not been generally disclosed to the public should purchase or sell any securities of the Corporation, inform anyone of such material fact or change or advise anyone to purchase, sell, hold or exchange securities of the Corporation until such information has been disclosed to the public and sufficient time has elapsed for such information to have adequately disseminated to the public. For the purpose of implementing such principles, the Insider Trading Policy sets out a number of guidelines, including directives to Directors, officers and employees of the Corporation not to: (i) actively trade in the securities of the Corporation (for which purpose "trade" means purchasing or selling with the expectation of making a profit on a short term rise or fall of market price); (ii) buy or sell put or call options on securities of the Corporation; or (iii) sell securities of the Corporation that are not owned in the expectation that the price of such securities will fall, or as part of a hedge or arbitrage transaction. Directors, officers and employees of the Corporation are asked not to undertake a trade in the securities of the Corporation without first informing the Chief Financial Officer of the Corporation of the proposed trade.

#### *Confidential Information Policy*

The Corporation's confidential information policy (the "**Confidential Information Policy**") provides guidelines on the protection of confidential information. To prevent the inadvertent disclosure of confidential information, the Confidential Information Policy, among other things, outlines procedures for speaking on behalf of the Corporation with the news media, analysts and investors.

#### *Disclosure Policy*

The Corporation's disclosure policy (the "**Disclosure Policy**") establishes a procedure for determining how material information is to be disclosed or disseminated. The Disclosure Policy guidelines include the directive to disclose any

material change in respect of the Corporation, whether positive or negative, to the public promptly and completely through the issuance of a press release. The Chief Executive Officer of the Corporation, in consultation with the Corporation's advisors and, if necessary, the Corporation's Directors, shall ultimately determine when a material change has or has not occurred. The Disclosure Policy also establishes responsibility for reviewing the Corporation's financial statements and related filings, as well as all substantive materials filed with securities regulators and non-standard press releases. Employees are strictly prohibited from commenting on, posting about or discussing the Corporation and its securities, investments and other business matters on social networks, chat rooms, wikis, virtual worlds and blogs.

A copy of the Code can be found under the Corporation's profile on SEDAR at [www.sedar.com](http://www.sedar.com). Upon request, the Corporation will promptly provide a copy of any related policy free of charge to any securityholder of the Corporation.

### **Director Independence**

The Corporation ensures Directors are exercising independent judgement through a Board structure in which the Board itself is comprised of a majority of independent directors, two committees are comprised entirely of independent Directors and one committee is comprised of a majority of independent Directors. Decisions that involve transactions or agreements in which a Director has a material or potentially material interest require the Director to recuse him or herself from the Board meeting and abstain from casting a vote on the matter.

### **Meetings Independent from Management**

Directors hold in camera meetings in the absence of non-independent Directors and management following every Board meeting. These sessions are conducted by the Chairman with a goal of fostering open dialogue on issues or confidential matters. In 2017, the Board held 18 in camera sessions.

### **Nomination of Directors**

The CGN Committee is responsible for identifying the competencies, skills and personal qualities required of Board members and recommending qualified candidates to the Board for consideration in filling any vacancies or increasing the size of the Board. The Corporation does not yet have a written a policy for nomination procedures, however, the CGN Committee will seek prospective candidates who are independent, have recognized functional and industry experience, sound business judgement, high ethical standards, time to devote to the Board and the ability to contribute to the Board's diversity (with respect to gender, experience, geography, ethnicity and age). The CGN Committee intends to identify qualified candidates through a number of sources, including an evergreen list and executive recruiters. To ensure diversity is a primary consideration, the CGN Committee will also include in its search, candidates from organizations promoting and supporting diversity, such as Diversity 50 and Women Get on Board in Canada and the Board list in the United States.

Because the CGN Committee is not entirely independent, though is made up of a majority of independent Directors, to encourage an objective nomination process, the Board also reviews the qualifications of potential nominees, taking into account the current composition of the Board, the ability of the individual candidate to contribute to the effective management of the Corporation, the ability of the individual to contribute sufficient time and resources to the Board, the current and future needs of the Corporation, the individual's direct experience in public companies, the individual's skills and knowledge, the skills and knowledge of existing members of the Board and other relevant factors.

### **Compensation**

The CGN Committee is responsible for annually reviewing, overseeing and evaluating the compensation of the Corporation's executives, Directors and committee Chairs and making compensation recommendations to the Board concerning the level and nature of the compensation payable to the Directors and officers. In order to ensure an objective process for determining compensation, the CGN Committee reviews, as appropriate, industry data published by compensation consultants as well as peer group public disclosure. The CGN Committee may also from

time to time engage compensation consultants to provide relevant benchmark data and recommendations for refining the Corporation's compensation structure. The CGN Committee engaged Hugessen in August 2016 to provide independent advice on the proposed total compensation packages for the Corporation's NEOs. See "Compensation – Compensation Governance – Role of Independent Consultant".

### **Assessments**

The CGN Committee is also responsible for annually reviewing and assessing the effectiveness of the Board and the committees of the Board. The Chair of the CGN Committee utilizes structured interviews and questionnaires to obtain feedback from Board members and the executive management team for a 360 degree perspective on the performance and effectiveness of the Board. The Chair also invites informal feedback throughout the year to identify Board strengths, the level of support to and from the management team and opportunities for refining Board processes and functions. The feedback, gathered anonymously, is shared with the Board. The results of the review in 2017 indicated the Board and its committees were functioning well.

### **Diversity of the Board and Management**

The Corporation believes that diversity of thought is essential to good corporate governance and effective decision making to enhance Shareholder value. The Corporation's commitment to a diverse Board includes seeking candidates with a diversity of gender, experience, geography, ethnicity and age, while maintaining a focus on merit and established objective criteria. Any search firm engaged by the Corporation to fill a Board or senior management position will be directed to include diversity among the criteria for identifying qualified candidates and the CGN Committee will include organizations supporting/sponsoring diverse candidates in the search.

The Corporation believes that having a diverse Board can offer a breadth and depth of perspectives that enhance the Board's performance. The Corporation values diversity of abilities, experience, perspective, education, gender, background, race and national origin in all candidates. Recommendations concerning Director nominees are based on merit and past performance as well as expected contribution to the Board's performance and, accordingly, diversity is taken into consideration. Currently, one of seven Directors (14%) are female and zero of three executive officers (0%) are female. The Corporation is, however, committed to diversity on the Board and in executive management and is actively pursuing, and currently expects to increase, female representation on the Board and in executive management within the next fiscal year.

The Corporation does not currently have a formal policy for the representation and nomination of women on the Board or in senior management positions, as it has incorporated and will continue to incorporate consideration of gender diversity into its nomination practices, as described above. The Corporation has not adopted formal targets for gender or other diversity representation in Director or senior management positions in part due to the need to consider a balance of criteria for each individual appointment. The composition of the Board and senior management is shaped by the selection criteria established by the CGN Committee, which includes a consideration of the representation of women in Director and executive officer appointments. This is achieved by, among other things, ensuring that diversity considerations are taken into account in Board vacancies and senior management, monitoring the level of female representation on the Board and in senior management positions, continuing to broaden recruiting efforts to attract and interview qualified female candidates, and committing to retention and training to ensure that the Corporation's most talented employees are promoted from within the organization.

### **Board Renewal**

As a relatively new and young Board, the Corporation elected not to implement at this time either term limits or retirement policies in order to continue to benefit from the cohesion and combined experience, skills and diversity of the current Board. However, going forward, the Board will periodically review its composition to ensure it has the right mix of skills, experience and perspectives to oversee the Corporation and will review and assess the need for term limits or retirement policies.

## Communication with the Board

The Corporation values and encourages dialogue and feedback about the Corporation, its industry and its initiatives. Shareholders or other parties interested in communicating with the Board or any individual members of the Board may do so in writing, addressing correspondence to Scott White at Invesque Inc., 14390 Clay Terrace, Carmel, Indiana, 46032. Mr. White will review all correspondence received and determine who is in the best position to respond depending on the nature of the query/comments. Any correspondence related to financial controls, audit or accounting will be directed to the Chair of the Audit Committee.

## OTHER BUSINESS

The Directors are not aware of any matters intended to come before the Meeting other than those items of business set forth in the attached Notice of Meeting accompanying this Information Circular. If any other matters properly come before the Meeting, it is the intention of the persons named in the Form of Proxy to vote in respect of those matters in accordance with their judgment.

These documents and additional information relating to the Corporation may also be found on SEDAR at [www.sedar.com](http://www.sedar.com) and on the Corporation's website at [www.Invesquehealthinvestments.com](http://www.Invesquehealthinvestments.com).

## NON-IFRS MEASURES

Funds From Operations ("FFO") and Adjusted Funds From Operations ("AFFO") are supplemental measures used by management to track the Corporation's performance. Such measures are not defined by International Financial Reporting Standards ("IFRS") and, therefore, should not be construed as alternatives to net profit calculated in accordance with IFRS. Further, the supplemental measures used by management may not be comparable to similar measures presented by other real estate enterprises. Management believes these terms reflect the operating performance and cash flow of the Corporation.

"FFO", consistent with the REALpac definition, means net profit in accordance with IFRS, (i) plus or minus fair value adjustments on investment properties; (ii) plus or minus gains or losses from sales of investment properties; (iii) plus or minus certain other fair value adjustments; (iv) plus transaction costs expensed as a result of the purchase of property being accounted for as a business combination; (v) plus property taxes accounted for under IFRIC-21 – *Levies*; and (vi) plus deferred income tax expense, after adjustments for equity accounted entities calculated to reflect FFO on the same basis as consolidated properties.

"AFFO" means FFO, subject to certain adjustments, including: (i) mark-to-market adjustments on mortgages, amortization of deferred financing costs, and compensation expense related to deferred share incentive plans, (ii) adjusting for any differences resulting from recognizing property rental revenues on a straight-line basis, (iii) interest expense on the convertible debentures issued in 2015, (iv) asset management internalization costs and (iv) other adjustments as determined by the directors of the Corporation in their sole discretion.

FFO & AFFO are financial measures not defined under IFRS, and FFO & AFFO may not be comparable to similar measures presented by real estate investment trusts or other real estate enterprises.

### CHARTER OF THE BOARD OF DIRECTORS

The purpose of this mandate is to set out the mandate and responsibilities of the board of directors (the “**Board**”) of Invesque Inc. (the “**Corporation**”), subject to the provisions of applicable statutes and the Articles of the Corporation.

#### 1. Composition

The Board shall be constituted with a majority of individuals who qualify as “independent” as defined in National Instrument 58-201 – *Corporate Governance Guidelines*.

#### 2. Responsibilities of the Board of Directors

The Board is responsible for the stewardship of the Corporation and in that regard shall be specifically responsible for:

- (a) adopting a strategic planning process and approving, on at least an annual basis, a budget, and evaluating and discussing a strategic plan for the upcoming year which takes into account, among other things, the opportunities and risks of the Corporation’s business and investments;
- (b) supervising the activities and managing the investments and affairs of the Corporation;
- (c) approving major decisions regarding the Corporation;
- (d) defining the roles and responsibilities of management;
- (e) reviewing and approving the business and investment objectives to be met by management;
- (f) assessing the performance of and overseeing management;
- (g) reviewing the Corporation’s debt strategy;
- (h) identifying and managing risk exposure;
- (i) ensuring the integrity and adequacy of the Corporation’s internal controls and management information systems;
- (j) succession planning;
- (k) establishing committees of the Board, where required or prudent, and defining their mandate;
- (l) maintaining records and providing reports to shareholders (“**Shareholders**”) of the Corporation;
- (m) ensuring effective and adequate communication with Shareholders, other stakeholders and the public;
- (n) determining the amount and timing of dividends to Shareholders; and
- (o) acting for, voting on behalf of and representing the Corporation as a holder of shares of Invesque Health Holdings Inc. and its subsidiaries.

It is recognized that every director in exercising powers and discharging duties must act honestly and in good faith with a view to the best interest of the Corporation and its Shareholders. Directors must exercise the care, diligence and skill that a reasonably prudent person would exercise in comparable circumstances. In this regard, they will comply with their duties of honesty, loyalty, care, diligence, skill and prudence.

In addition, directors are expected to carry out their duties in accordance with policies and regulations adopted by the Board from time to time.

It is expected that Management will co-operate in all ways to facilitate compliance by the Board with its legal duties by causing the Corporation and its subsidiaries to take such actions as may be necessary in that regard and by promptly reporting any data or information to the Board that may affect such compliance.

### **3. Meetings**

The Board will meet not less than four times per year; three meetings to review quarterly results and one prior to the issuance of the annual financial results of the Corporation. The Board shall meet periodically without management present to ensure that the Board functions independently of management. At each Board meeting, unless otherwise determined by the Board, an in-camera meeting of independent directors will take place, which session will be chaired by the Chair. The Board shall maintain a policy which permits individual directors to engage outside advisors at the cost of the Corporation.

The Board appreciates having certain members of senior management attend each Board meeting to provide information and opinion to assist the directors in their deliberations. Management attendees who are not Board members will be excused for any agenda items which are reserved for discussion among directors only.

### **4. Board Meeting Agendas and Information**

The Chair, in consultation with management of the Corporation, will develop the agenda for each Board meeting. Agendas will be distributed to the directors before each meeting, and all Board members shall be free to suggest additions to the agenda in advance of the meeting

Whenever practicable, information and reports pertaining to Board meeting agenda items will be circulated to the directors in advance of the meeting. Reports may be presented during the meeting by members of the Board, management and/or staff, or by invited outside advisors. It is recognized that under some circumstances, due to the confidential nature of matters to be discussed at a meeting, it will not be prudent or appropriate to distribute written materials in advance.

### **5. Measures for Receiving Shareholder Feedback**

All publicly disseminated materials of the Corporation shall provide for a mechanism for feedback of Shareholders.

### **6. Telephone Board Meetings**

A director may participate in a meeting of the directors or in a committee meeting by means of telephone or, with the consent of all directors who wish to participate in the meeting, electronic or such other communications facilities, if all persons participating in the meeting are able to communicate with each other and a director participating in such a meeting by such means is deemed to be present at the meeting.

While it is the intent of the Board to follow an agreed meeting schedule as closely as possible, it is felt that, from time to time, with respect to time sensitive matters, telephone board meetings may be required to be called in order for directors to be in a position to better fulfill their legal obligations. Alternatively, management may request the directors to approve certain matters by unanimous written consent.

### **7. Conflict of Interest**

If an actual or potential conflict of interest arises, a director shall promptly inform the Chair and shall refrain from voting or participating in discussion of the matter in respect of which he or she has an actual or potential conflict of interest.

### **8. Expectations of Management**

Management shall be required to report to the Board at the request of the Board on the performance of the Corporation, new and proposed initiatives, the Corporation's business and investments, management concerns and any other matter the Board or its Chair may deem appropriate. In addition, the Board expects Management to promptly report to the Chair and, if applicable, the Lead Director any significant developments, changes, transactions or proposals respecting the Corporation or its subsidiaries.

## **9. Communications Policy**

The Board approves the content of the Corporation's major communications to Shareholders and the investing public including the Annual Report, Management Information Circular, the Annual Information Form and any prospectuses which may be issued. The Audit Committee shall review and recommend to the Board the approval of the quarterly and annual financial statements (including the Management Discussion & Analysis) and press releases relating to financial matters. The Board also has responsibility for monitoring all of the Corporation's external communications. However, the Board believes that it is the function of management to speak for the Corporation in its communications with the investment community, the media, customers, suppliers, employees, governments and the general public.

The Board shall have responsibility for reviewing the Corporation's policies and practices with respect to disclosure of financial and other information including insider reporting and trading. The Board shall approve and monitor the disclosure policies designed to assist the Corporation in meeting its objective of providing timely, consistent and credible dissemination of information, consistent with disclosure requirements under applicable securities law. The Board shall review the Corporation's policies relating to communication and disclosure on an annual basis.

Generally, communications from Shareholders and the investment community will be directed to the CFO, who will coordinate an appropriate response depending on the nature of the communication. It is expected, if communications from stakeholders are made to the Chair or to other individual directors, that management will be informed and consulted to determine any appropriate response.

## **10. Internal Control and Management Information Systems**

The Board has responsibility for the integrity of the Corporation's internal control and management information systems. All material matters relating to the Corporation and its business require the prior approval of the Board. Management is authorized to act, without Board approval, on all ordinary course matters relating to the Corporation's business.

The Audit Committee has responsibility for ensuring internal controls are appropriately designed, implemented and monitored and for ensuring that management and financial reporting is complete and accurate, even though management may be charged with developing and implementing the necessary procedures.
