General

You are advised to read this disclaimer carefully before reading, accessing, or making any other use of the information included herewith. This presentation (this “Presentation”) contains materials that are not an offer or the solicitation of an offer to purchase any securities or make any investment. This Presentation includes information about Invesque Inc. and its subsidiaries (together, the “Company”) as of August 1, 2022, unless otherwise stated. All dollar amounts are expressed in U.S. Dollars unless otherwise stated.

This Presentation may contain information and statistics regarding the markets in which the Company and its investees operate. Some of this information has been obtained from market research, publicly available information, and industry publications. This information has been obtained from sources believed to be reliable, but the accuracy or completeness of such information has not been independently verified by the Company and cannot be guaranteed.

This Presentation is not for distribution in the United States. This Presentation does not constitute or form a part of an offer to sell, or the solicitation of an offer to buy, any securities in the United States or to any U.S. person. The Company has not registered any of its securities under the United States Securities Act of 1933, as amended (“U.S. Securities Act”), or under any state securities or blue sky laws. Any such offer or solicitation in the United States or to any U.S. person may be made only if registered under the U.S. Securities Act and any applicable state securities or blue sky laws or in reliance upon an exemption from the registration requirements of the U.S. Securities Act and any such applicable state laws.

Forward-Looking Information

This Presentation contains certain forward-looking information and/or statements (“forward-looking statements”), that reflect and are provided for the purpose of presenting information about management’s current expectations and plans relating to the future, including, without limitation, statements regarding the benefits of existing assets, including the Commonwealth Senior Living Portfolio (the “Commonwealth Portfolio”), (including, without limitation, the extent to which such assets will be accretive to the Company’s adjusted funds from operations (“AFFO”) per share and net asset value (“NAV”) and contribute to net operating income (“NOI”) and the ability to leverage synergies), the composition of the Company’s portfolio (including pro forma NOI based on property type) and expected growth and returns and projections relating to the future of the senior care industry. Forward-looking information is typically identified by terms such as “anticipate,” “believe,” “continue,” “expect,” “expectations,” “forecast,” “may,” “plan,” “pro forma,” “project,” “should,” “will,” and other similar expressions that do not relate solely to historical matters and suggest future outcomes or events. Readers should not place undue reliance on forward-looking statements and are cautioned that forward-looking statements may not be appropriate for other purposes. Forward-looking statements in this Presentation are based on current beliefs, expectations, and certain assumptions of the Company’s management and are subject to significant known and unknown risks, uncertainties, and other factors that are beyond the Company’s ability to predict or control and may cause actual results or events to differ materially from those expressed or implied by such statements and, accordingly, should not be read as guarantees of future performance or results and will not necessarily be accurate indications of whether or not such results will be achieved. The Company’s actual results may differ as a result of various factors, including without limitation, the negative impact of COVID-19 pandemic on the Company’s business and the business of operators/tenants, including without limitation, uncertainty regarding the duration and severity thereof and negative economic conditions arising therefrom, uncertainty regarding implementation and impact of existing and future stimulus and other Covid-19 relief legislation, laws, orders, and guidance throughout the United States and Canada may be available to operators/tenants to offset the costs and conditions related thereto, and the extent to which support may terminate upon termination of any federally declared public health emergency, the negative effect of travel bans and restrictions, stay-at-home orders, social distancing guidelines, limitations on other business activities, staffing shortages, increased costs, and the impact on occupancy rates in our communities in connection therewith, rent deferral rates, the ability of operators/tenants to comply with infection control and vaccine protocols, the long-term impact of vaccines on facility infection rates; the status of the economy; the status of capital markets, including, without limitation, availability and cost of capital; issues facing the health care industry, including, without limitation, compliance with, and changes to, regulations and payment policies, responding to government investigations and settlements and operators’/tenants’ ability to cost effectively obtaining and maintaining adequate liability and other insurance; the risk that the Company’s operators/tenants and borrowers may become subject to bankruptcy or insolvency proceedings; changes in financing terms; competition throughout the health care and senior housing industries; the operating results or financial condition of operators/tenants, including, without limitation, their ability to pay rent and repay loans, the Company’s ability to transition, buy, or sell properties with profitable results as and when anticipated, and occupancy levels; the effect of other factors affecting the Company’s business and facilities outside of the Company’s or operators’/tenants control, including without limitation, natural disasters, other health crises or pandemics, governmental action, particularly in the healthcare industry, protests, strikes, and shortages in supply chains, as well as the risks described in the Company’s current annual information form and management’s discussion and analysis, available on SEDAR at www.sedar.com, which risks may be dependent on market factors and not entirely within the Company’s control. Although management believes that it has a reasonable basis for the expectations reflected in these forward-looking statements, actual results may differ from those suggested by the forward-looking statements for various reasons. These forward-looking statements reflect current expectations of the Company as of the date

DISCLAIMER (Cont.)

of this Presentation and speak only as of the date of this Presentation. The Company does not undertake any obligation to publicly update or revise any forward-looking statements except as may be required by applicable law.

There can be no assurance that forward-looking statements will prove to be accurate as actual outcomes and results may differ materially from those expressed in these forward-looking statements. Readers are cautioned not to place undue reliance on any such forward-looking statements, which are given as of the date hereof, and not to use such forward-looking statements for anything other than the intended purpose. Further, except as expressly required by applicable law, the Company assumes no obligation to publicly update or revise any forward-looking statement, whether as a result of new information, future events, or otherwise. Forward-looking statements contained in this Presentation are expressly qualified by this cautionary statement.

Non-IFRS Measures

The Company reports its financial results in accordance with International Financial Reporting Standard (“IFRS”). Included in this Presentation are certain non-IFRS financial measures as supplemental indicators used by the Company’s management to track the Company’s performance. These non-IFRS measures are NOI, FFO, and AFFO. The Company believes that these non-IFRS financial measures provide useful information to both the Company’s management and investors in measuring the financial performance and financial condition of the Company. These measures do not have a standardized meaning prescribed by IFRS and, therefore, may not be comparable to similar measures presented by other companies, nor should they be construed as an alternative to other financial measures determined in accordance with IFRS. For a full definition of these measures and a reconciliation to net profit and/or net loss for the three and six months ended June 30, 2022, please refer to the Financial Measures section of the June 30, 2022, MD&A available on the Company’s website and on SEDAR at www.sedar.com.

Commonwealth Senior Living

A Case Study in Building a Vertically Integrated Health Care Real Estate Platform

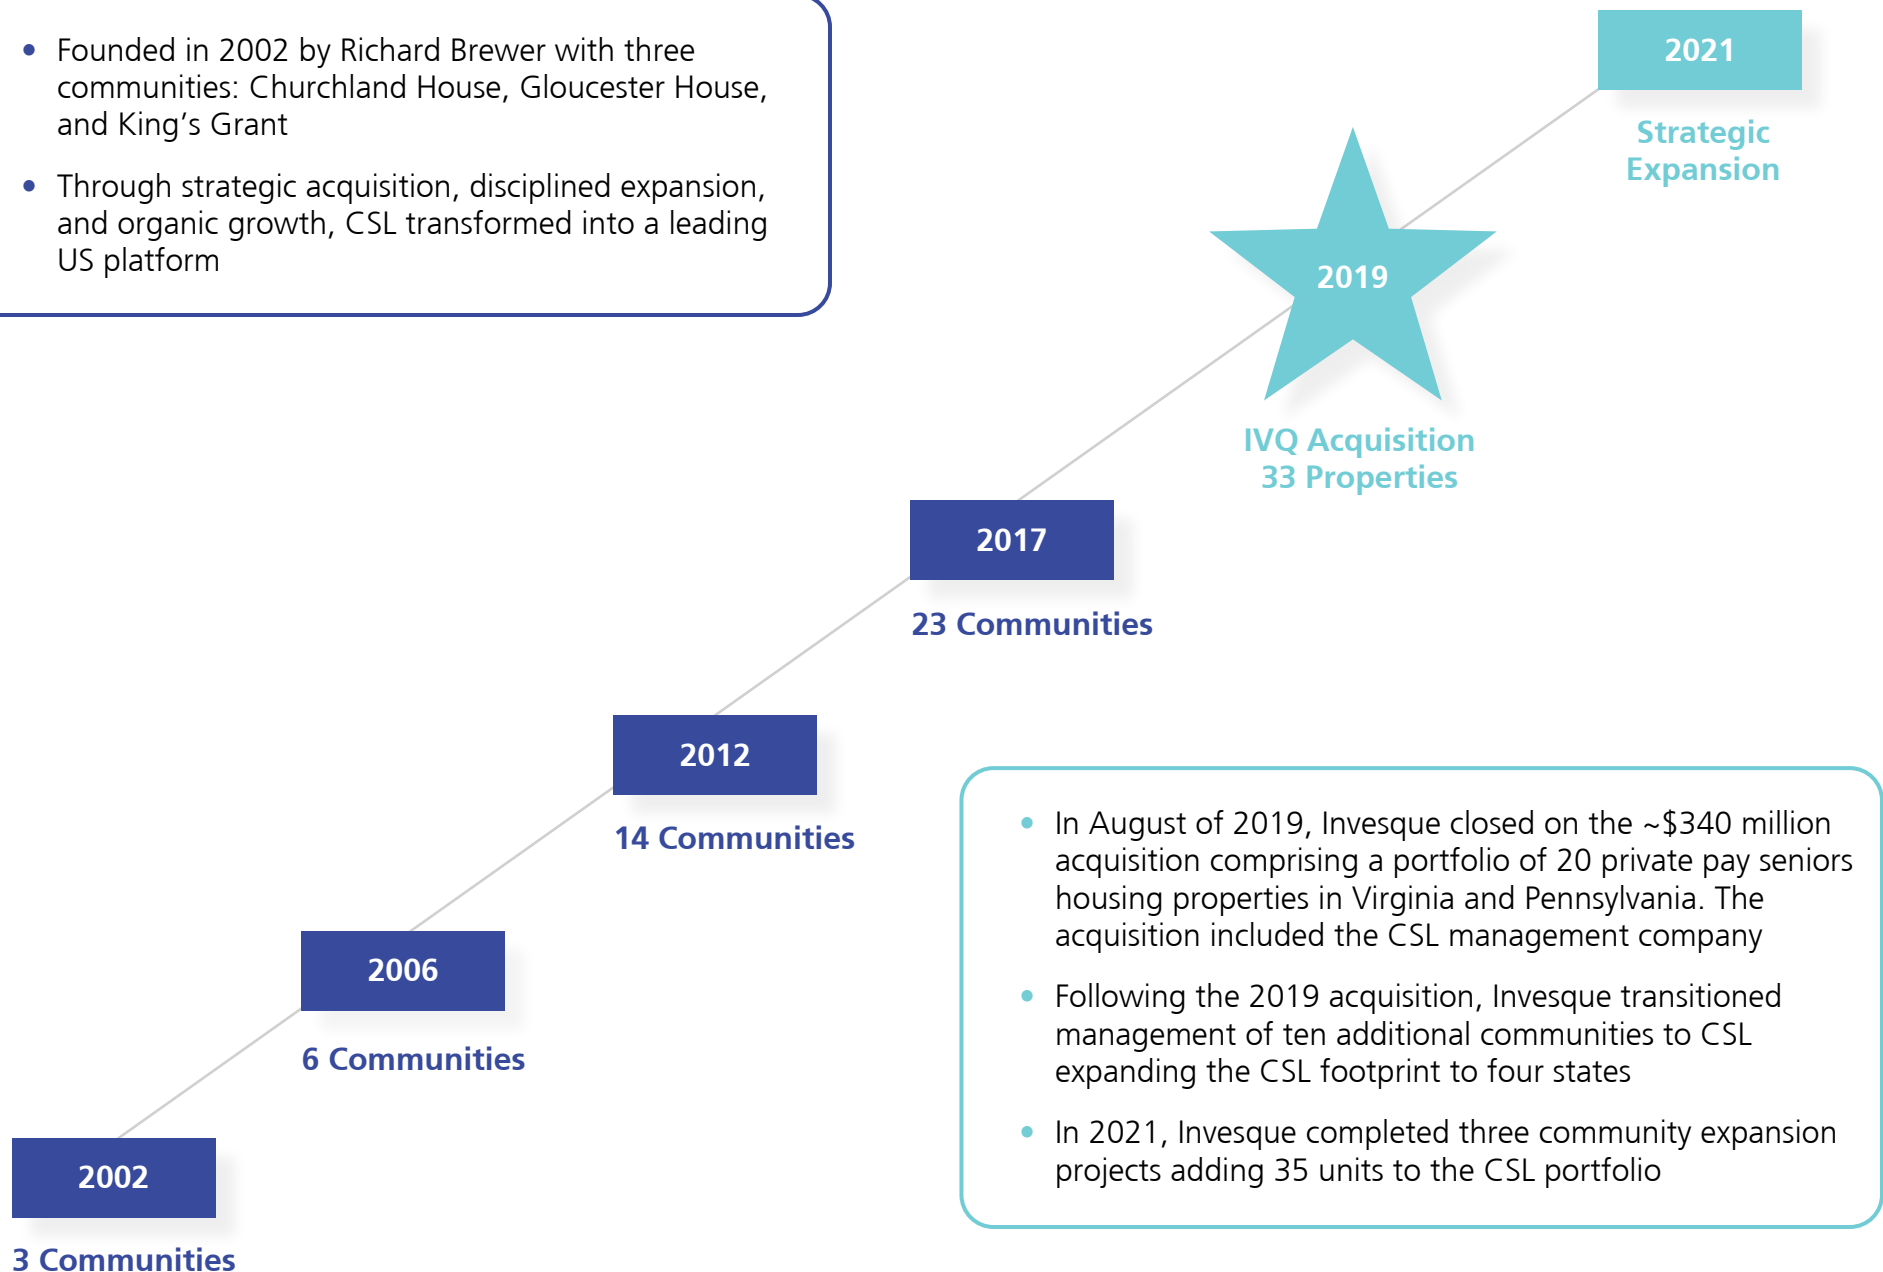

In 2019, Invesque closed on the transformative ~\$340 million acquisition of Commonwealth Senior Living ("CSL") comprising a portfolio of 20 private-pay seniors housing properties in Virginia and Pennsylvania. The acquisition included the Commonwealth Senior Living management company.

- 20 assets representing ~1,440 private pay independent living, assisted living, and memory care units
- CSL does not have direct exposure to government funding sources
- Private pay seniors housing now represents 63% of total pro forma Invesque NOI
- Strengthened Invesque platform with a captive, vertically integrated operating and management company
- Properties purchased for ~\$236,000 per unit, representing an ~20% discount to replacement cost at the time of acquisition
- Preferred equity issued to sellers with initial dividend of 6.5% exchangeable at \$9.75 per share highlighting intrinsic value in Invesque portfolio
- Accretive to NAV given positive spread investment with weighted average cost of capital ~200 basis points inside of going in cap rate
- Accretive to AFFO per share
- Provided for further synergies by leveraging vertically integrated platform
 - Transitioned 10 communities previously operated by Greenfield to CSL
 - CSL represents Invesque's largest pro forma NOI exposure at ~33%

Commonwealth Senior Living

- Founded in 2002 by Richard Brewer with three communities: Churchland House, Gloucester House, and King's Grant
- Through strategic acquisition, disciplined expansion, and organic growth, CSL transformed into a leading US platform

Commonwealth Senior Living – Regionally Focused Premier Provider

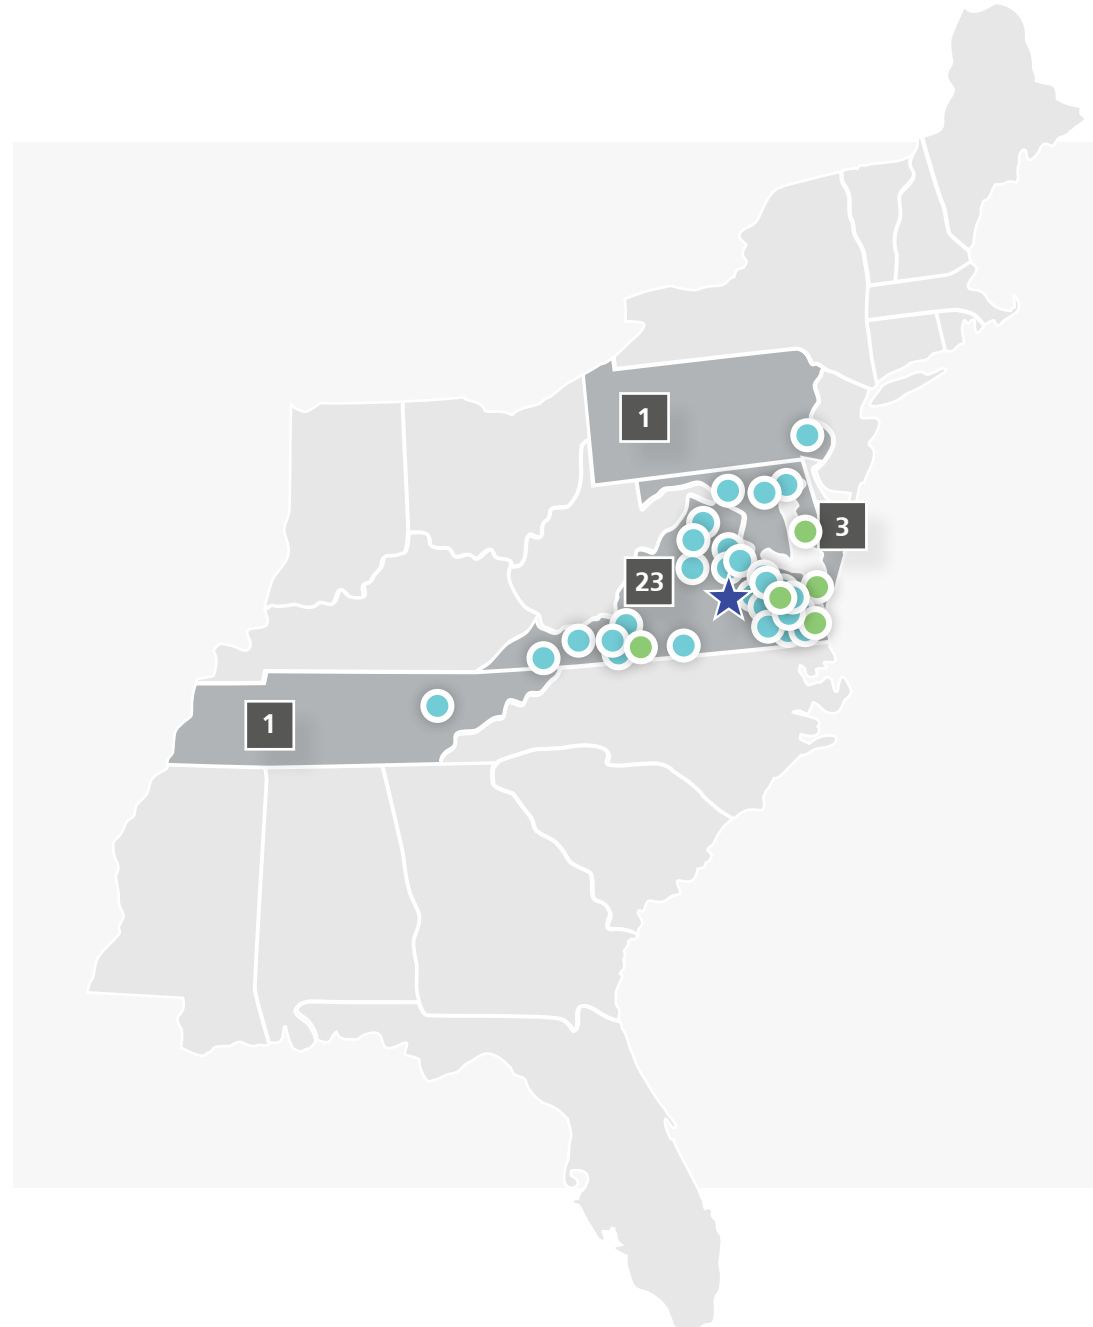

CSL currently operates 33 communities, making them one of the largest operators of seniors housing in Virginia and a premier operator in the mid-Atlantic

- 28 Invesque owned properties in Pennsylvania, Maryland, Virginia, and Tennessee
- 5 non-Invesque owned properties
- ~2,400 units, ~2,800 beds

Map Key
